Mass Booking

Over the last few weeks there have been spaces available at most Masses as the capacities of the church increased and summer approached. With this in mind and the hope of reduced social distancing in a few weeks we have decided to experiment and drop the booking system for Masses and allow people to turn up.

The church doors will continue to open about 25 minutes before Mass, please do not turn up earlier to queue. We continue to ask your cooperation to sit where you are directed, to seat as many people as possible. There will be QR codes at the doors from Check in Scotland to register your attendance by smartphone or a steward will take your details at the door.

Thank You

The Sunday collection last weekend was £1351. The second collection for communications was £655. Next week is the last weekend to contribute to the collection for Peter's Pence.

Peter's Pence is the name given to the financial support offered by the faithful to the Holy Father as a sign of their sharing in the concern of the Successor of Peter for the many different needs of the Universal Church and for the relief of those most in need.

Sacred Heart Hall

The surveyor's report on the structure of the hall at Sacred Heart arrived on Friday afternoon. It will take a little time to work out the implications of the report. The house also suffers from some similar problems as the hall.

If you would like a copy of the report please email frparkes@rcdom.org.uk and I will be happy to forward it on to you. Any professional opinions on the report would be welcome.
